

## Your trusted Partner

The sun has always been a source of precious well-being. Exposure to its warm rays relaxes us, makes us feel immediately better and allows the synthesis of the indispensable vitamin D.

Taking care of our skin is important to prevent these precious moments from becoming the cause of premature aging or predisposition to dermatological problems.

We have always been attentive to the well-being of the person and we have formulated these new cosmetics with the precious goal of helping the skin's immune defenses with a safe protection that fully respects your skin.

La scelta più naturale

**PARADISE SUN  
HIGH PROTECTION SUNSCREEN SPF 30 - UVA 10  
Tamanu fragrance**

A cream with a beautiful texture given by precious 100% natural vegetable oils (macadamia and jojoba), enhanced by natural vitamin E, alder buckthorn bark extract and essential oil of helichrysum italicum with recognized elasticizing and dermoprotective properties. Finally yet importantly, a great class touch with the essence of the exotic tamanu fruit for a sensory journey to heavenly places.

**PARADISE SUN  
VERY HIGH PROTECTION SUN GEL CREAM SPF 50+ - UVA 20  
Tamanu fragrance**

A gel cream specifically created to give maximum protection and safety during sun exposure. Thanks to the silicium molecules and zinc oxide, it ensures immediate protection and deep nourishment thanks to the action of macadamia oil. The heavenly essence of tamanu stands out on the notes of rosemary, jasmine, vanilla and sandalwood.

**MEI SUN  
The perfect Beauty Routine**

**Carrot pearls**

Specific supplement made with pure natural Beta-carotene to prepare your skin for sun exposure, prolong your tan and prevent erythema. Also useful as an intestinal antibacterial agent.

**Wheat Germ Oil**

Supplement in pearls, ideal to support the keratin fiber of the hair while donating softness, brightness and protection from salt and air. Powerful anti-free radicals and excellent in synergy with Carrot pearls.

**Nut Husk Gel**

100% natural tanning gel made with carrot oil, silicium and hypericum, suitable for already dark skin to get an enviable golden tone! It can also be used as an after-sun body gel against dry skin and to make your tan last longer.

**Aloe and Propolis After Sun**

After sun exposure, but also every day as after-bath or shower, it is an effective antibacterial and protective lotion that nourishes, ensuring hygiene and freshness thanks to the extracts of aloe and propolis in sweet almond oil.

**Balsam Spray**

Your "must have" to protect hair from chlorine, wind and salt. To be sprayed several times a day and after each bath, combed over the entire hair length and left on, after shampooing, to strengthen and nourish your hair thanks to concentrated citrus extracts.

**Moisturizing Paste**

The 100% all-natural screen, based on concentrated rice starch and zinc oxide, to be applied on areas that must be completely shielded from sunlight or on children's most delicate areas. This product belongs to the BimbiMEI set, which is completed with shower gel and nourishing body fluid.
